Sunscreen Permission Slip SY 2024-2025

As the weather gets warmer, the children will be spending more time outside. Parents are asked to apply the child's first application of sunscreen each day before school. Dermatologists recommend using a sunscreen with an SPF of at least 30.

April 15th - September 15th, GCDC Teachers will re-apply a second application if you provide an unexpired bottle of sunscreen that has been labeled with your child's first and last name.

I, _____,
(Parent Printed Name)

give the staff at NASA Goddard Child Development Center permission to apply the provided sunscreen.
